

MJD Memorial Dedication Thank You For Publication in Newspaper

We want to thank the individuals, businesses, & community organizations who donated to the Michael Jay Danner Memorial project in Jackson Township's North Park. The public dedication was held Monday, July 17th at 6:00 PM with 200+ in attendance. Thank you to those who attended to help us honor Michael's memory. After a blessing from Father Raymond Paul, the three of us spoke of our gratitude surrounding the project. Also mentioned were the fund raising ideas including selling bracelets & decals and the benefit poker run, which were all well received. A good friend, Rob Robart, spoke about his memories of Michael, his friendship with our family for so many years, and his honor of contributing his time on Michael's memorial project. Jackson Township trustee, Bill Burger also spoke to thank our family and all involved for the beautification project to the Jackson Township Parks. The plaque inscription was duplicated on bookmarks that were distributed to those in attendance and a balloon release was done in memory of Michael after all had spoken. To everyone who contributed to this project in some way, your generosity will never be forgotten. We hope this memorial is admired and enjoyed by many and that Michael will often be in your thoughts.

With our sincere thanks – Mike, Dawn, & Megan Danner
