

*Michael Jay Danner*

*1/11/89 - 5/1/05*

*This memorial is dedicated  
to the life of  
Michael Jay Danner.  
Forever in the hearts of so many;  
and today, a guardian angel  
to each and every one.  
We will always miss his  
beautiful smile, memorable  
laugh, and caring friendship.  
Memories of campfires,  
Honda 50s, and those  
one-of-a-kind hats,  
will always be treasured.  
Michael's unselfish act of  
organ donation helped to prolong,  
improve, or save the lives of eight.  
He will always be remembered,  
deeply missed, and forever loved  
by his family, and many friends.*

*"Nothing will replace  
the life we have lost  
but this memorial was built  
in memory of you."*

*Love always,  
Your Family &  
Many Special Friends*

*Dedicated July 2006*

*I've got the perfect place in mind  
It's in the middle of nowhere  
Only one way to get there  
You gotta get a little mud on the tires*
